

SUNDAY AND EVENING BUS SERVICES REVISED FROM 5TH JUNE

From Sunday 5th June, Carousel will be taking over all evening and Sunday services, with associated timetable alterations.

In more detail:

On Mon-Sat, the existing Arriva-operated journeys from High Wycombe at 1945 / return from Stokenchurch at 2008 will now be operated by Carousel on the same timings, and there will be a new return trip departing High Wycombe

2035 / returning from Stokenchurch at 2058. However the current late evening journey from High Wycombe at 2310 will cease.

On Sundays, services will operate on a regular 2-hourly frequency, departing High Wycombe every 2 hours from 0950 to 1750, and Stokenchurch every 2 hours from 1020 to 1820. Note all journeys will operate on the 40 route direct to High Wycombe, NOT via Lane End as per the current Sunday service.

Remember that since February, the Mon-Fri daytime service on the 40 has been enhanced to approximately half-hourly on the High Wycombe to Stokenchurch section between 9am and 4pm on weekdays.
